**New Business: 12:03 PM**

**1) Review of Economic Development Flyer**

Pam Bryant gave an update on the progress of completion in regards to suggestions made by council. Discussion followed in selecting a heading for the 'values' column in flyer. Council selected three from the list provided.

**2) Water and Sewer Facilities Needs**

Public Comments: Idella Stinson voiced concern about the proposed exempt status for the posted superintendent position and concern about the possible rate increase for water/sewer service.

Council discussed how to get more applicants for the position. Council would like a survey of Cities with similar facilities and the salary they offer the position, also the employment status of exempt/non-exempt. CA Hamilton and Acting Superintendent Randy Cherry answered questions from the council. Council would like clarification on exempt status, and job description for the position being posted. Council also looked at proposed project list for the facilities. CA gave a brief review of the lists from last year and this current year's list. Discussion followed on how to prioritize the needs. SCADA system replacement was selected as priority now. Council would like quotes on the cost to replace or fix the generator by the next meeting. Councilor Rennert would like Randy Cherry to provide some suggestions on possible improvements that could be made to help make the water better smelling and tasting during the summer months of algae bloom. Councilor Rennert and Councilor Knokey provided some information from their RCAC seminar in Roseburg, Melissa Murphy the regional support person would like to meet on May 19, 2014 at 1 PM. Councilor Knokey will contact her and make arrangements.

Public Comments: Pam Bryant read a statement about her concerns on the hiring of a public works employee. Ken Larsen voiced concern on the exempt status for the new superintendent position. Andrea Larsen voiced concern on the compensation of the superintendent position, and condition of the Public Works Department.
