

## Library Committee 2017 Work Plan

Review and discuss a proposal to implement a digital media circulation.	
Conduct an annual review of the print media circulation and recommend surplus items.	
Develop an annual recommendation for the purchase of new print media.	
Research the potential for additional programming for children, adults, and seniors and provide a report to the City Council.	
Develop and implement a volunteer recruitment and retention program.	
Coordinate the development of the Summer Reading Program with the Lowell School District.	
Provide resources to help teach patrons computer skills, including online tutorials or classes.	
Create a tool or metric to track the use of the library and computer lab.	
Submit an annual report covering the service improvements, new programs, and library use.
