The New Dexter Lake Farmers Market is making big changes this season!! The Market is moving to Rolling Rock Park in downtown Lowell. Each Sunday the Market will set-up around the Banner Bank band shell and will provide live entertainment, quality locally sourced produce from local farmers and food items including wood fired pizza and fruit smoothies, and a selection of juried craft items from local artists. The farm market will be open to the public from 12noon to 4pm. The DLFM accepts SNAP (Oregon Trail Card) and offers double-up bucks as a great way to increase your farm purchases.

The market encourages local farmers and back yard gardeners to bring their produce and share their bounty with our neighbors. The DLFM information booth will also provide consignment sales for members. Farm, food and craft vendors pay an annual membership fee on a sliding scale from \$15.00 to \$50.00, plus a weekly \$5.00 set-up fee and 10% of gross sales.

Please consider becoming a member of the DLFM. Paid memberships mean discounts from participating vendors, voting privileges and Hummingbird Wholesale purchasing discounts as well. In addition, you receive a really cool membership card and the knowledge that you are supporting a local project that promotes community agriculture, healthy life choices and a fun way to spend a sunny summer afternoon. See you at the Market!!!!

For additional information contact: Jef Jalof, jj.bestfriends@gmail.com

****Membership Applications available at Lowell City Hall, Dexter Library and the DLFM website.**
