Types of Public Office

There are two types of public office in Oregon, partisan and nonpartisan.

Partisan Offices

A partisan office is an office for which a candidate may be nominated by a major or minor political party or as a nonaffiliated candidate. These include:

- County Commissioner (unless county home rule charter or ordinance specifies otherwise) and
- Precinct Committeeperson.

Nonpartisan Offices

A nonpartisan office is an office for which a candidate does not run under the name of any political party.

Offices may include:

County Commissioner (unless county home rule charter or ordinance specifies otherwise), County Clerk, Sheriff, County Assessor, County Auditor, County Treasurer, County Tax Collector, County Surveyor, Justice of the Peace, Mayor, City Councilor, Municipal Judge, Board Member, Director of a District, All Special District offices, any elected office of a metropolitan service district under ORS chapter 268, and any office designated nonpartisan by a home rule charter or ordinance.

For local offices not listed, please contact the local elections official to determine whether the office is partisan or nonpartisan.

Filing Methods for Public Office

Generally, candidates may file for public office by:

- submitting a completed candidate filing form and paying the required filing fee, if any;

or

- submitting a nominating petition containing the required number of valid signatures.

A prospective petition may be filed at any time. However, candidates need to allow enough time for signature collection and signature verification to be completed by county elections officials prior to the filing deadline.

See the Filing Requirements on pages 9, 10, 19, 22 and 24 for filing fees and deadline to submit completed forms.

Candidate filing forms can be submitted by:

- mail;

- fax;

or

- as a scanned attachment to an email.

Multiple Nominations to Public Offices

In Oregon, candidates running for partisan office may be nominated by multiple political parties. Candidates nominated by more than one party or by other nominating processes may select up to three parties or designations to be printed with their name on the general election ballot. A candidate may designate the order in which the parties or designations will be listed. However, if a candidate for partisan office is nominated by the political party of which they are a member, that party will be listed first, followed by no more than two additional parties. In addition, if a nonaffiliated candidate is nominated by individual electors or an assembly of electors, the designation of nonaffiliated will be listed first, followed by no more than three additional parties. When selecting political parties or other designations the following rules apply:

	Candidate is nominated by:	Information and default order listed on ballot:
Member of political party	Party of which the candidate is a member	The party of which the candidate is a member is listed first. It is followed by no more than two additional parties listed in alphabetical order, unless the candidate specifies a different order.
	Party of which the candidate is not a member	Not more than three political parties will be listed in alphabetical order, unless the candidate specifies a different order.
Not affiliated with any political party	Individual or Assembly of Electors	The nonaffiliated designation will be listed first. It will be followed by not more than three political parties listed in alphabetical order, unless the candidate specifies a different order.
	Any political party	Not more than three political parties will be listed in alphabetical order, unless the candidate specifies a different order.

Running for Multiple Offices

Candidates can file for more than one position as long as the offices are:

- not on the same district board;
- not a city office on the same ballot;
- not for more than one precinct committeeperson office; and
- not a lucrative office;

 An office is considered lucrative if a salary or other compensation beyond expenses is attached to it; it is created by statute or the constitution; its holder exercises part of the sovereign power of government; it is a matter of public concern; and the position is not temporary or intermittent.

Campaign Finance Reporting

Oregon campaign finance law requires each candidate to establish a campaign account and file a Statement of Organization designating a candidate committee not later than **three business days** of first receiving a contribution or making an expenditure. This requirement does not apply if the candidate is:

- A candidate for precinct committeeperson;
- or

→ A candidate who:

- ✓ serves as their own treasurer;
- ✓ does not have an existing candidate committee;

and

- ✓ does not expect to receive or spend more than \$750 during a calendar year.

 The \$750 includes personal funds spent for any campaign-related costs, such as the candidate filing fee; however, state voters' pamphlet filing fees **are not included** when calculating contribution or expenditure totals.

 If at any time during a calendar year a candidate exceeds \$750 in either contributions or expenditures, the candidate must establish a campaign account and file a candidate committee not later than **three business days** after exceeding the \$750 threshold and either file a Certificate of Limited Contributions and Expenditure (if eligible) or file all transactions not later than **seven calendar days** after the threshold has been exceeded.

Candidates that do not meet the exemption criteria above must file a committee through ORESTAR or by completing and submitting the following paper forms:

 SEL 220, Statement of Organization for a Candidate Committee

and

 SEL 223, Campaign Account Information.

Campaign Finance law also requires the filing of transactions electronically.

Committees must use ORESTAR to file campaign finance transactions unless the committee is eligible to file a Certificate of Limited Contributions and Expenditures.

For further detail on campaign finance reporting requirements, candidates should review:

 See the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

Qualifications for Public Office

Qualifications for various public offices differ. Before filing for public office, a candidate should review the constitutional and statutory requirements for the office sought.

 See the qualifications for most offices provided in each applicable section.

However, qualifications for city or district office are governed by city charter or ordinance or district by-laws and are not provided. Contact the local elections official for more information.

Candidate Filing Timeline

 The 2018 Primary Election filing period is from September 7, 2017 to 5pm on March 6, 2018.

Minor Party Candidates – County**Filing Methods for a Minor Party Candidate**

Minor political parties may nominate candidates for any partisan office, including federal, state, and county offices, as long as the party has been established within the electoral district and maintains ballot access.

A minor political party nominates candidates either by convening a nominating convention that complies with state law or party by-laws. Candidates that are nominated by a recognized minor political party complete and file with the appropriate elections official the following:

 Form [SEL 110 Candidate Filing – Minor Political Party](#) with the Candidates Nomination Certificate executed by a party officer and notarized.

Nonaffiliated Candidates – County

 To qualify for nomination by individual electors or to conduct an assembly of electors, a candidate cannot be registered to vote as a member of any political party as of March 1, 2018.

Filing Methods for a Nonaffiliated Candidate

Candidates who are not a member of any political party may file for a partisan or nonpartisan office on the general election ballot by completing one of two processes:

→ Individual Electors

A nomination by individual voters involves obtaining a required number of valid signatures from registered voters

or

→ Assembly of Electors

An Assembly of Electors involves a gathering of registered voters in one place at one time to nominate candidates to partisan office.

Individual Electors

ORS 249.740

To be nominated by individual electors the candidate must obtain a required number of valid signatures from active Oregon registered voters in the district.

Prospective Petition

Prior to obtaining any signatures candidates must file the following forms to begin the signature sheet approval process:

SEL 114 Candidate Filing – Individual Electors marked Prospective Petition and designating circulator pay status

and

SEL 122 Candidate Signature Sheet – Individual Electors with all fields completed.

See Signature Sheet Requirements on page 27.

Approval to Circulate

After receiving the required forms, the elections official reviews for required information and if complete will provide written approval to circulate the prospective nominating petition that includes:

- petition number;
- number of signatures required; and
- filing deadline.

All signature sheets must be approved in writing by the elections official before circulating. Failure to do so will result in the rejection of the signature sheets.

Gathering Petition Signatures

Once the petition has been approved to circulate, but before collecting any signatures, a candidate must review with all circulators the legal requirements and guidelines for circulating the candidate nominating petition.

See Guidelines for Circulation on page 28.

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years. ORS 260.715 and 260.993

After reviewing the legal requirements and guidelines for circulating the nominating petition, a candidate may begin gathering signatures.

Failure to comply with the legal requirements will result in rejection of those sheets.

A candidate is advised to obtain more than the required number of signatures to ensure the petition has a sufficient number of valid signatures.

Signature Verification

The candidate submits the signature sheets to the appropriate county elections official for verification allowing sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting signature sheets for verification, the candidate must:

- ensure each signature sheet certification is signed and dated by the circulator; and
- sort the signature sheets by county, if required;

The county elections official verifies the original signatures against the voters' registration record and returns the certified signature sheets to the candidate.

Completing a Petition

To complete the petition process a candidate must file with the appropriate elections official:

Form SEL 338 Petition Submission – Candidate, Voters' Pamphlet;

and

- verified signature sheets that contain the required number of valid signatures.

The elections official reviews each signature sheet to ensure that sheets are sorted by county if required and that the circulator's certification is sufficient. After reviewing the signature sheets the elections official tabulates the number of valid signatures contained on the accepted signature sheets.

If the elections official determines the petition does not contain the required number of valid signatures and the filing deadline has not passed, the candidate may submit additional signatures.

Assembly of Electors

ORS 249.735

An assembly of electors is a nominating convention of active Oregon registered voters gathered in one place at one time. The convention must be held in a 12 hour period to nominate nonaffiliated candidates to partisan office. The assembly is conducted by a presiding officer, and nominations are recorded by the assembly secretary in the minutes. The minutes also include the signatures of the assembly participants.

The date, time, and place of the assembly must be scheduled in coordination with the elections official to enable them to attend and supervise the nominating convention.

All signatures must be from active Oregon registered voters in the district.

Prospective Petition

To begin the assembly process, the candidate or presiding officer files:

Form SEL 115 Candidate Filing – Assembly of Electors signed **only** by the candidate.

Approval to Schedule Assembly

After receiving form SEL 115, the elections official reviews for required information and if complete provides written approval to organize and schedule the assembly of electors.

Determining Assembly Logistics

The candidate or presiding officer must coordinate with the elections official to:

- determine a mutually convenient time to conduct the assembly;
 - review assembly requirements;
 - provide final signature sheets for approval;
- and**
- file copy of published notice.

Publish Notice of Assembly

Once scheduled, a notice of the assembly of electors must be published at least once in a minimum of three newspapers of general circulation in the electoral district in which the assembly seeks to nominate candidates.

The notice must contain all of the following:

- time and place of the assembly;
 - office or offices for which nominations will be made;
- and**
- the names and addresses of at least 25 active Oregon registered voters who want the assembly held and who are eligible to participate.

File Notice and Signature Sheets

To receive final approval to convene the assembly, the candidate or presiding officer files:

- a copy of the published notice;

and

-  Form SEL 116 Candidate Signature Sheet – Assembly of Electors with all fields completed and if applicable designating at least two individuals as committee members with the authority to fill vacancy in nominations.

-  See Signature Sheet Requirements on page 27.

 If the published notice is not timely filed with the elections official or does not meet the requirements, the assembly of electors will be cancelled. In coordination with the elections official the candidate or presiding officer may reschedule the assembly.

-  The notice must be published and filed with the elections official no later than the 10th day before the nominating convention. ORS 249.735(3)

Approval to Convene Assembly

Once the candidate or presiding officer files the required information, the elections official will review for completeness. If complete, the elections official will provide written approval to conduct the assembly of electors that will include:

- petition number;
- number of signatures required; and
- filing deadline.

 All signature sheets must be approved in writing by the elections official before conducting the assembly. Failure to do so will result in the rejection of the signature sheets.

Obtain Affidavit for Proof of Publication

An affidavit for proof of the published notice is obtained from the newspaper. The affidavit must be attached to a copy of the notice and signed by one of the following:

- the newspaper's owner;
- editor;
- publisher;
- manager;
- advertising manager;
- principal clerk of owner/editor/manager;

or

- printer or printer's foreperson.

The affidavit is not submitted until the candidate or presiding officer files the completed petition with the elections official.

Convening the Assembly of Electors

The presiding officer is advised to have more than the required number of participants attend to ensure the minutes contain a sufficient number of valid signatures. Upon convening the assembly, the presiding officer must explain:

- the nominating convention is held in one day in one location and is completed within twelve hours or the process must begin again;
- assembly participants must be active Oregon registered voters within the electoral districts from which the assembly is nominating candidates;
- candidates may only be nominated for offices published in the notice;
- the candidate receiving the highest number of votes will be the nominee of the assembly for that office;
- only assembly participants may sign approved signature sheets;
- all signers on a signature sheet must be registered voters in the same county;

and

- once the required number of registered voters are present they must remain in the assembly location until candidates have been nominated, signature sheets are signed, and the convention is adjourned.

Vacancy in Nomination

If a vacancy in nomination occurs, it may be filled in either of two ways.

- The presiding officer may reconvene the assembly following the same rules as the original assembly. The assembly is considered the same assembly if the presiding officer and secretary are the same as during the original assembly.

or

- A committee designated by the original assembly selects a nominee to fill the vacancy. The committee is appointed by vote during the original assembly and is comprised of at least two persons as indicated on form [SEL 116](#). The committee only has the authority to select a nominee to fill the vacancy if the petition has the required number of signatures.

In either situation a certificate of nomination designating the nominee filling the vacancy must be completed and filed with the elections official.

The vacancy must be filled no later than the 70th day before the general election, August 28, 2018.

Adjourning the Assembly of Electors

After the assembly has completed the nomination process and selected the committee to fill vacancies, if any, the assembly is adjourned. The elections official collects all completed signature sheets and stamps each sheet under the last signature line signed to ensure no additional signatures are added. The signature sheets will be returned to the presiding officer.

Signature Verification

The presiding officer submits the signature sheets to the appropriate county elections official for verification allowing sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting the signature sheets for verification, the presiding officer must:

- ensure each signature sheet certification is signed and dated by the circulator and
- sort the signature sheets by county, if required.

The county elections official verifies the original signatures against the voters' registration record and returns the certified signature sheets to the presiding officer of the assembly.

Completing a Petition

To complete the petition process the candidate or presiding officer must submit to the elections official:

Form [SEL 115 Candidate Filing – Assembly of Electors](#) with the Certificate of Nomination that has been executed by the presiding officer and secretary of the assembly and notarized;

The Certificate of Nomination may be executed and notarized on a copy of the [SEL 115](#) originally submitted. If executed and notarized on a new [SEL 115](#), all sections of the form must be completed.

- verified signature sheets that contain the required number of valid signatures from active Oregon registered voters;

and

- proof of published notice affidavit.

Signature Tally

The elections official reviews each signature sheet to ensure that:

- sheets are sorted by county, if required;
- the circulator's certification is sufficient; and
- no additional signatures were added after adjournment.

After reviewing the signature sheets, the elections official tabulates the number of valid signatures contained on the accepted signature sheets and notifies the candidate and presiding officer of the final tally.

Write-In Candidates

ORS 254.548

Oregon voters have the option of writing in the name of a candidate for any office instead of voting for a candidate printed on the ballot. Write-in votes are tallied together with a lump sum recorded for each office unless there is no candidate on the ballot, or the total number of write-in votes exceeds the candidate with the most votes.

A candidate seeking nomination or election to office by write-in does not complete any candidate filing forms but must qualify for the office and may be required to establish a campaign account and file a Statement of Organization designating a candidate committee.

 See the [Campaign Finance Manual](#) and the [ORESTAR User’s Manuals](#) available at www.oregonvotes.gov.

Prior to sending a notification to any person who is nominated or elected by write-in, the filing officer will conduct a review of the qualifications of the office. If the person who received the most votes does not qualify for the position, the office becomes vacant.

If any individual is nominated or elected by write-in votes, the procedures for accepting the nomination of office are explained in the following sections.

Notification

The elections official notifies the candidate by sending:

 Form [SEL 141 Write-In Candidate Acceptance](#)

Acceptance of Nomination or Office

To accept the nomination or office, the candidate completes, signs, and returns form [SEL 141](#) to the elections official.

Certificate of Nomination or Election

Upon receipt of the completed and signed [SEL 141](#) the elections official prepares and delivers a certificate of nomination or election to the candidate and if applicable, issues a proclamation of election.

Vacancy

A vacancy in office may occur at any time during the term of office, even before the person takes the oath of office or before the term ends.

- The processes for filling a vacancy are dependent upon the type of office and when the vacancy occurred, not why the vacancy occurred.
- Reasons for vacancies may include death, resignation, disqualification, or recall.
- ORS 236.320 provides that resignations for public office shall be in writing and filed with the appropriate filing officers.

The Oregon Constitution, Oregon Revised Statutes, and Oregon Administrative Rules have applicable sections regarding vacancies. The Oregon Constitution and Oregon Revised Statutes can be searched [here](#). The search can be narrowed by using the ORS General Index. Oregon Administration Rules are found [here](#).
