## Another Solid Finish, Exciting Opportunities for Lowell Music

As usual, it's been a busy and successful spring for the musicians of Lowell High School! After sailing through qualifiers in March and April, the LHS Band and Choir both entered May with big aspirations and some well-earned fun on their docket. This especially came to fruition during the Music in the Parks competition in Coeur d'Alene, Idaho on May 4th. Competing with groups from around the Pacific Northwest, the Band took first place in Division (1A-4A), while the Choir placed first in Division *and* was named "Best Overall" for all schools, regardless of size.

The kids were treated to a day at Silverwood Theme Park for their efforts, with much fun had by all. On May 2nd, the LHS Choir once again competed in the OSAA Choir State Finals, hosted by Oregon State University. In a division long dominated by private schools, Lowell gave a confident, memorable performance and placed a respectable 8th overall (1st place for public schools).

The LHS Band took their turn at State Finals a week later, on May 10th, and proffered their best overall performance of the year on stage. "It was definitely worthy of a top tier finish," says Music Director Paul Burch. "Unfortunately, the judges chose to score things very unconventionally, with groups we outscored handily in qualifying placing unexpectedly above us. It was a heartbreaking development, but I'm just so proud of this group of kids -- definitely one of the finest bands (and set of individuals) I've ever had the honor to lead." Even with the 6th-place finish, the combined results with Choir make Lowell the best overall public small schools program in Oregon for the 8th year in a row!

Lowell Music also has some amazing opportunities for individuals this spring and summer. Four students were accepted in the all-star Music in May Festival: seniors Elizabeth Able, Kameron Baszler, and Justin Hern, and junior Lizzy Green-Jolley were all selected to play and sing with the "best of the Northwest" over Memorial Day weekend. This long-running festival, hosted by Pacific University in Forest Grove, culminated in an amazing concert on May 25th. Not to be outdone, another five Lowell Music kids were selected this year to be part of the Oregon Ambassadors of Music. This elite program brings together kids from around the state into all-star ensembles (Band, Choir, and Orchestra), which then commence on a two-week performance tour of Europe! Juniors Sophie Anderson, Emma Cobiskey, and Ryan Pelroy, and sophomores Amelia Cushman and Alex Sotomayor were all selected for this amazing opportunity. From July 8th through the 21st, our own Red Devils will be singing their way through Italy, Switzerland, Germany, Austria, and the Czech Republic. Best of luck and *bon voyage*!

As for local performances, our annual spring concert is fast approaching: the final show for all Band and Choir students grades 6-12 will take place on Tuesday, June 4th, at 7:00pm in the LHS Cafetorium. Call time for all band students is 6:30 (when doors open to the public); for students in choir only, 6:45 will do. We hope to see you there!

### A big thank you to our LHS ASPIRE Team!!!

They go the extra mile helping our students plan for their future after high school, whether it be college, trade school, apprenticeship, military, or entering the workforce. Volunteer mentors assist with career and education options, applications, essays, scholarships, internships, job shadows, field trips, guest speakers, career and community service opportunities, letters of recommendation, and many other activities.

Community Members include: Dionne Plahn and Kerry Anderson. Staff members include: Colette Ullrich, Cindy Neet, Toni Beckett, Mark Kintzley, Jeanie May, Rachel Thurman, Jesse Vaughn, Jason Patterson, Sally Miller, Ray Yarbrough, and Shannon Fassbender. We thank you very much — your efforts are appreciated!

**STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING**

Changes in activities and sources of financing compared to the adopted 2023-2024 budget include: (1) STAFFING AND PERSONNEL. Adding a new full-time employee in the Public Works Department with a starting salary of \$34,445. Funding 3.5% pay raises for city employees. (2) WATER TREATMENT GRANT. Planning for grants up to \$1 million to pay for water treatment retrofit. If funded, the water treatment plant retrofit will make it easier to process high turbidity in Dexter Reservoir during the Lookout Point dam drawdowns. (3) WATER AND SEWER RATES. Water rates remain at current levels. Sewer rates increase from \$68.51 per month per equivalent dwelling unit (EDU) to \$72.00 per month per EDU. (4) REDUCTION IN POLICING CONTRACT. As a cost savings measure, the current law enforcement services contract with the City of Oakridge is reduced. The current contract provides 40 hours of random patrol per month at an estimated cost of \$36,356. The Budget Committee approved budget funds \$10,000 for police services to be provided on an as-needed basis only. (5) SALES OF SURPLUS REAL ESTATE. This budget projects net sales revenues of \$302,459 for the sale of surplus city real estate. That real estate comprises the old City Hall property, as well as a portion of Rolling Rock Park, as contemplated in the 2019 "Downtown Master Plan." INTERESTED IN LEARNING MORE? **Update on e-permitting program.** The city has begun with the Oregon Building Codes Division (BCD) on joining their e-permitting program. Due to new requirements in state law, the city must have an e-permitting system online by January 2025. BCD estimates that the city should be able to go live with the new system in October 2024. During that timeframe, City Hall offices will be closed every Tuesday from 1:00 pm to 2:30 pm while staff work with BCD to build the new system.

We understand this may pose an inconvenience. The efficiencies that this program will bring are expected to significantly benefit our community in the long run. The e-permitting system aims to streamline the permitting process, reduce wait times, and improve overall accessibility for residents and businesses. We appreciate your patience and cooperation as we transition to this modernized system, and we are committed to making the process as smooth as possible for everyone involved.
