

City of Lowell
Parks Advisory Committee Meeting Minutes
Thursday, August 4, 2016
Lowell City Hall

Call to Order: 6:05 P.M. by Chairman O'Regan

Members Present: George Wild, Hall O'Regan, Pat Woodhurst, Tristan Woodhurst, Shawn Watson and Warren Weathers

Approval of the minutes for June 2, 2016 – Approved by consensus.

Old Business:

- **Master Park Plan** – CA has contacted a couple Landscape Architects to come and provide concept plans for the Paul Fisher Park. Discussion followed. Tristan Woodhurst presented drawings for the horse pits.
- **Movies/Music in Rolling Rock Park** – No update
- **Tree Subcommittee** – The subcommittee have not met. CA provided a handout of idea's from other communities. Discussion followed.

New Business:

- **Improvements at Paul Fisher Park and Rolling Rock Park** – CA briefed committee on updates: sidewalk repair in Paul Fisher Park done, hand dryers placed in the bathrooms in both parks, and PW's will be meeting with an electrician to wire the security camera's at Rolling Rock Park. Hall requested water facet at City Hall to water planters.

Other Business: CA provided a copy of a safety inspection checklist that has been implemented at both parks, and PW's will be placing signage stating 'No Climbing' on the equipment displays. Tomorrow there will be a meeting with an electrician to discuss the replacement of the lights with LED lights, in the Covered Bridge. Hall reported that there is a concern with the fascia board on the gazebo closest to Moss Street in Rolling Rock Park. George reminded the committee about residing the caboose, an eventually leveling the berm in Rolling Rock Park and fixing the light at the end of the park.

Adjourn: 6:48 P.M.
